

Subject: N.A.R.A. Picnic circa 1985ish
From: Fritz Tender WD8E

Let's play a game, name that HAM! While going through some old photos I came across the attached. Photos that were taken at the Shadows Buckeye Lake. BTW there may be too many for one attachment so you may receive several emails. First I'm embarrassed to admit I do not recall the names of most of the ladies so I will need your help. Once we get most of the folks ID Earl can post the photos with names.

Here goes from the mind of an old fart that lost his keys in the house for 4 days, yikes.

Name	Call
Lenny Baker (SK)	?
John Parkinson (Parky)	?
Bob ? (SK)	WB8TXD I think
Bill Porter	N8LFP
Dave Smith (ships captain)	K8WIX
Tim Reed (stow away)	KC8PCP
Carol (Tim's captain)	KC8PCP XYL
Maybe baby Ben	KC8PCP harmonic

Results of the fishing derby, a full tummy, and a cleaned up yard. Yep it was a success.
